Boys in Chapel

The Cross of Christ . . . the Talisman of Catholic youth, the Symbol of Faith. To train young hands and young hearts to carry this Catholic Talisman of the Cross is the ideal of Bishop Timon High School. To fulfill the words on that symbol, "Strong in the Faith," is the reason for the existence of the school. Here at Timon, young hands and minds learn to grasp the tools of knowledge for the service of God, society and self.

The Class of '51 has finished this training. These young men go forth bearing this sacred standard in their readied hands. The 1951 Talisman is the story of memorable moments of that training.

In the heart of South Buffalo,
a Catholic High School...

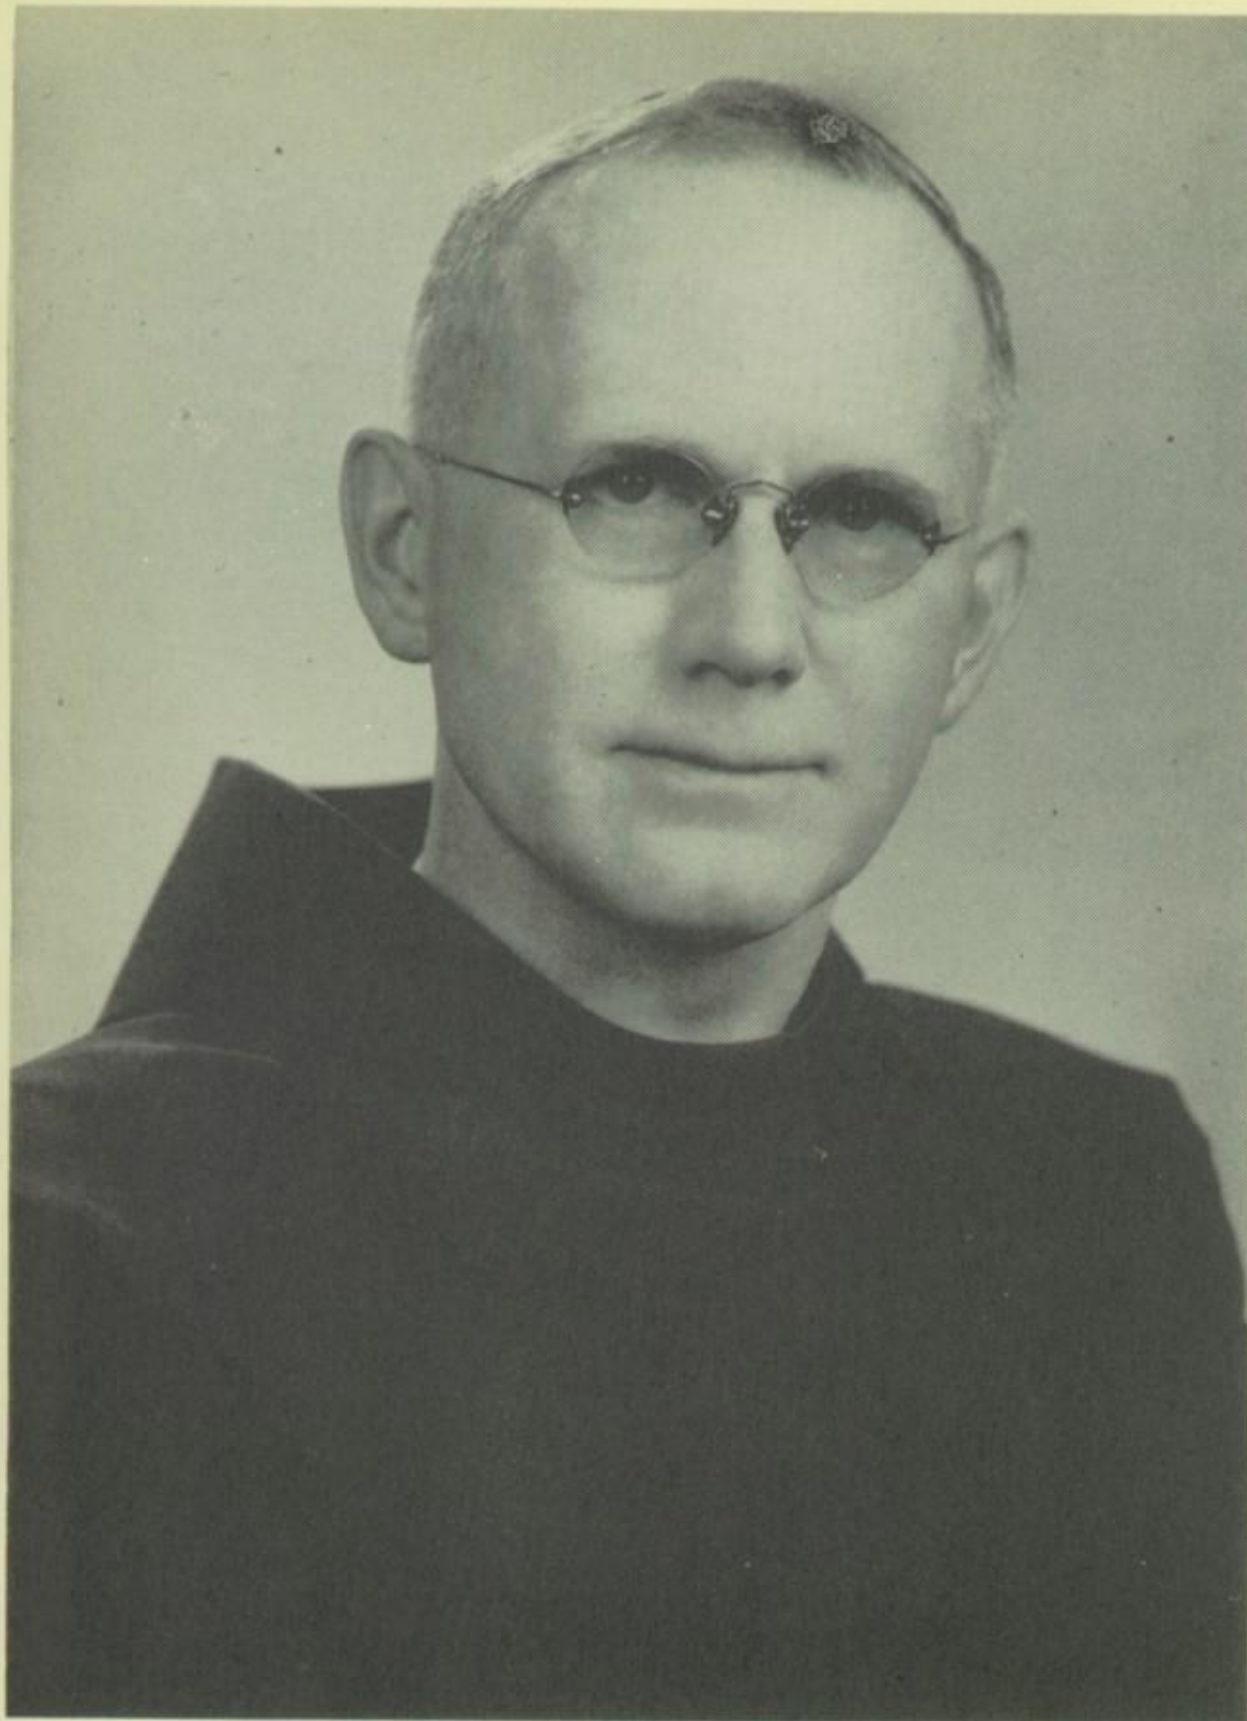

THE HOME OF BISHOP TIMON HIGH SCHOOL is in the heart of South Buffalo. Daily, Catholic youths of Buffalo and vicinity thread their way along McKinley Parkway and in through Timon's doors. Boys from Abbott and South Park, Seneca and "The Ward," East Buffalo, Lackawanna, and a dozen suburbs . . . boys representing 85 parishes . . . all swell the tide in Timon's halls. For nearly one thousand boys, all roads lead daily to McKinley and Columbus, to Timon!

THE CATHOLIC BOY! Timon offers many profitable and enjoyable hours to the Catholic youth. The training in class, the hum of activity—all spell progress and enjoyment to the boy as his years at Timon pass. For Timon is more than a school—it is a spirit. A spirit of happiness that comes from the real education of the whole boy.

Under the guiding hands
of the brown-clad Sons of St. Francis

THE FRANCISCAN FRIAR! It is through the Friars Minor that the student at Timon receives that education. Friar and student pray together, work together, and share happy moments both within and without the classroom. To make young men "Strong in the Faith" is the dedicated task of these Friars, a work that does not cease with the ringing of the class bell, but only starts there.

Our
Dedication

is to...

Fr. Claude...

The Reverend Claude Kean, O.F.M.
Principal

A
WORD
TO
THE
PRINCIPAL

One of the proudest boasts of the Class of 1951 will be that of having spent our four years at Timon under the guiding hand of Father Claude Kean, O.F.M., the first and present Principal of Bishop Timon High School. The memory of his untiring devotion and paternal direction will be a lasting one.

As pioneer Principal of Timon, Father Claude has devoted himself to the progress of the young school. The wealth of his past experience in dealing with youth he has spent in helping to build up Timon to its present high level in five short years—a tribute to his inspiring patient guidance.

We will always recall Father Claude's personal interest in all of us. The overwhelming increase in the number of Timon boys has not diminished his personal care of the individual student. Always maintaining that the graduate of the Catholic school should be the Catholic gentleman, Father Claude has supplemented our formal education with paternal advice which fits that education to practical spiritual living.

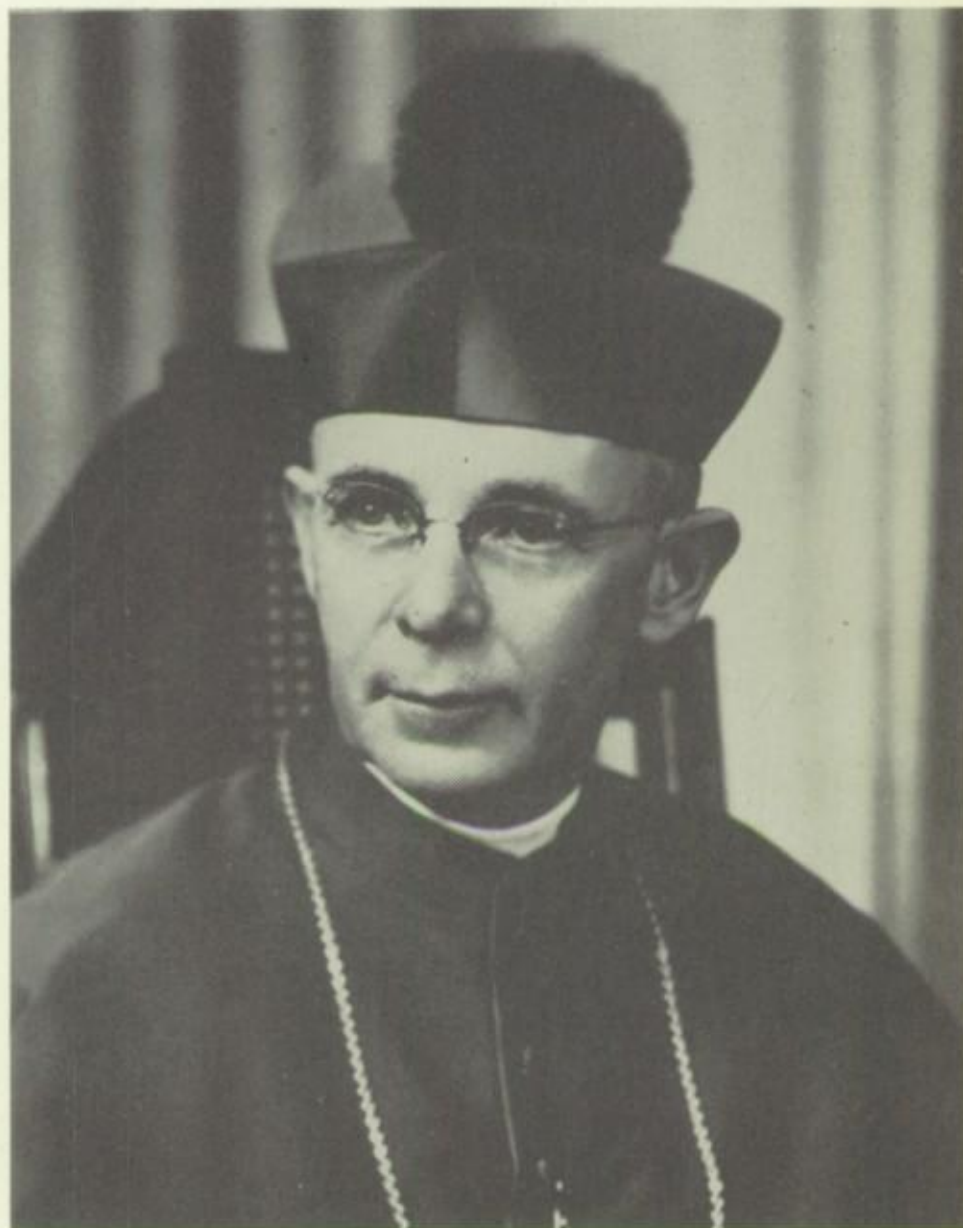

In appreciation of his efforts, we gratefully dedicate to Father Claude The Talisman of 1951. In so doing, we dedicate ourselves to the principles of Catholic living which he has so diligently taught us. That is our "Word to the Principal."

Our BISHOPS...present and past

The Diocese of Buffalo with its thousands of Catholics has spent six of its most progressive years under the guiding spirit of its present Bishop, the Most Reverend John F. O'Hara, C.S.C. This progress has shown itself first of all in a spiritual way in the promotion of the Faith of Christ. An extensive building program has furthered the material progress of the diocese.

Eloquent evidence for this progress is the advance in the diocesan educational program. Bishop O'Hara's zeal for the education of Catholic youth has given rise to new educational institutions with a special emphasis on the High School. Bishop Timon High School was born of this zeal.

Realizing that a Christian world tomorrow depends on a Christian youth today, His Excellency aims to give Catholic youth the opportunity for the full spiritual development afforded by the Catholic school. We at Timon, who have had the blessings and benefits of Bishop O'Hara's zeal, are grateful to him for his fatherly care.

The Most Reverend John F. O'Hara, C.S.C., D.D.
Bishop of Buffalo

We note with pride that our School bears the name of the pioneer Bishop of Buffalo, the Most Reverend John Timon, C.M. To this zealous Vincentian priest fell the task of organizing and firmly establishing the Catholic Faith in Western New York. A deep love of his fellow man and a great spiritual vision made his twenty years as Bishop beneficial ones for the Church. His activity in all fields of the apostolate—preaching, teaching, administering—served as the foundation of a vigorous Catholicism that has been the tradition for more than a century.

Above: Of valuable assistance in the administration of the Diocese of Buffalo is the Most Reverend Joseph A. Burke, D.D., Auxiliary to Bishop O'Hara and Vicar General.

Our Superiors, Diocesan...

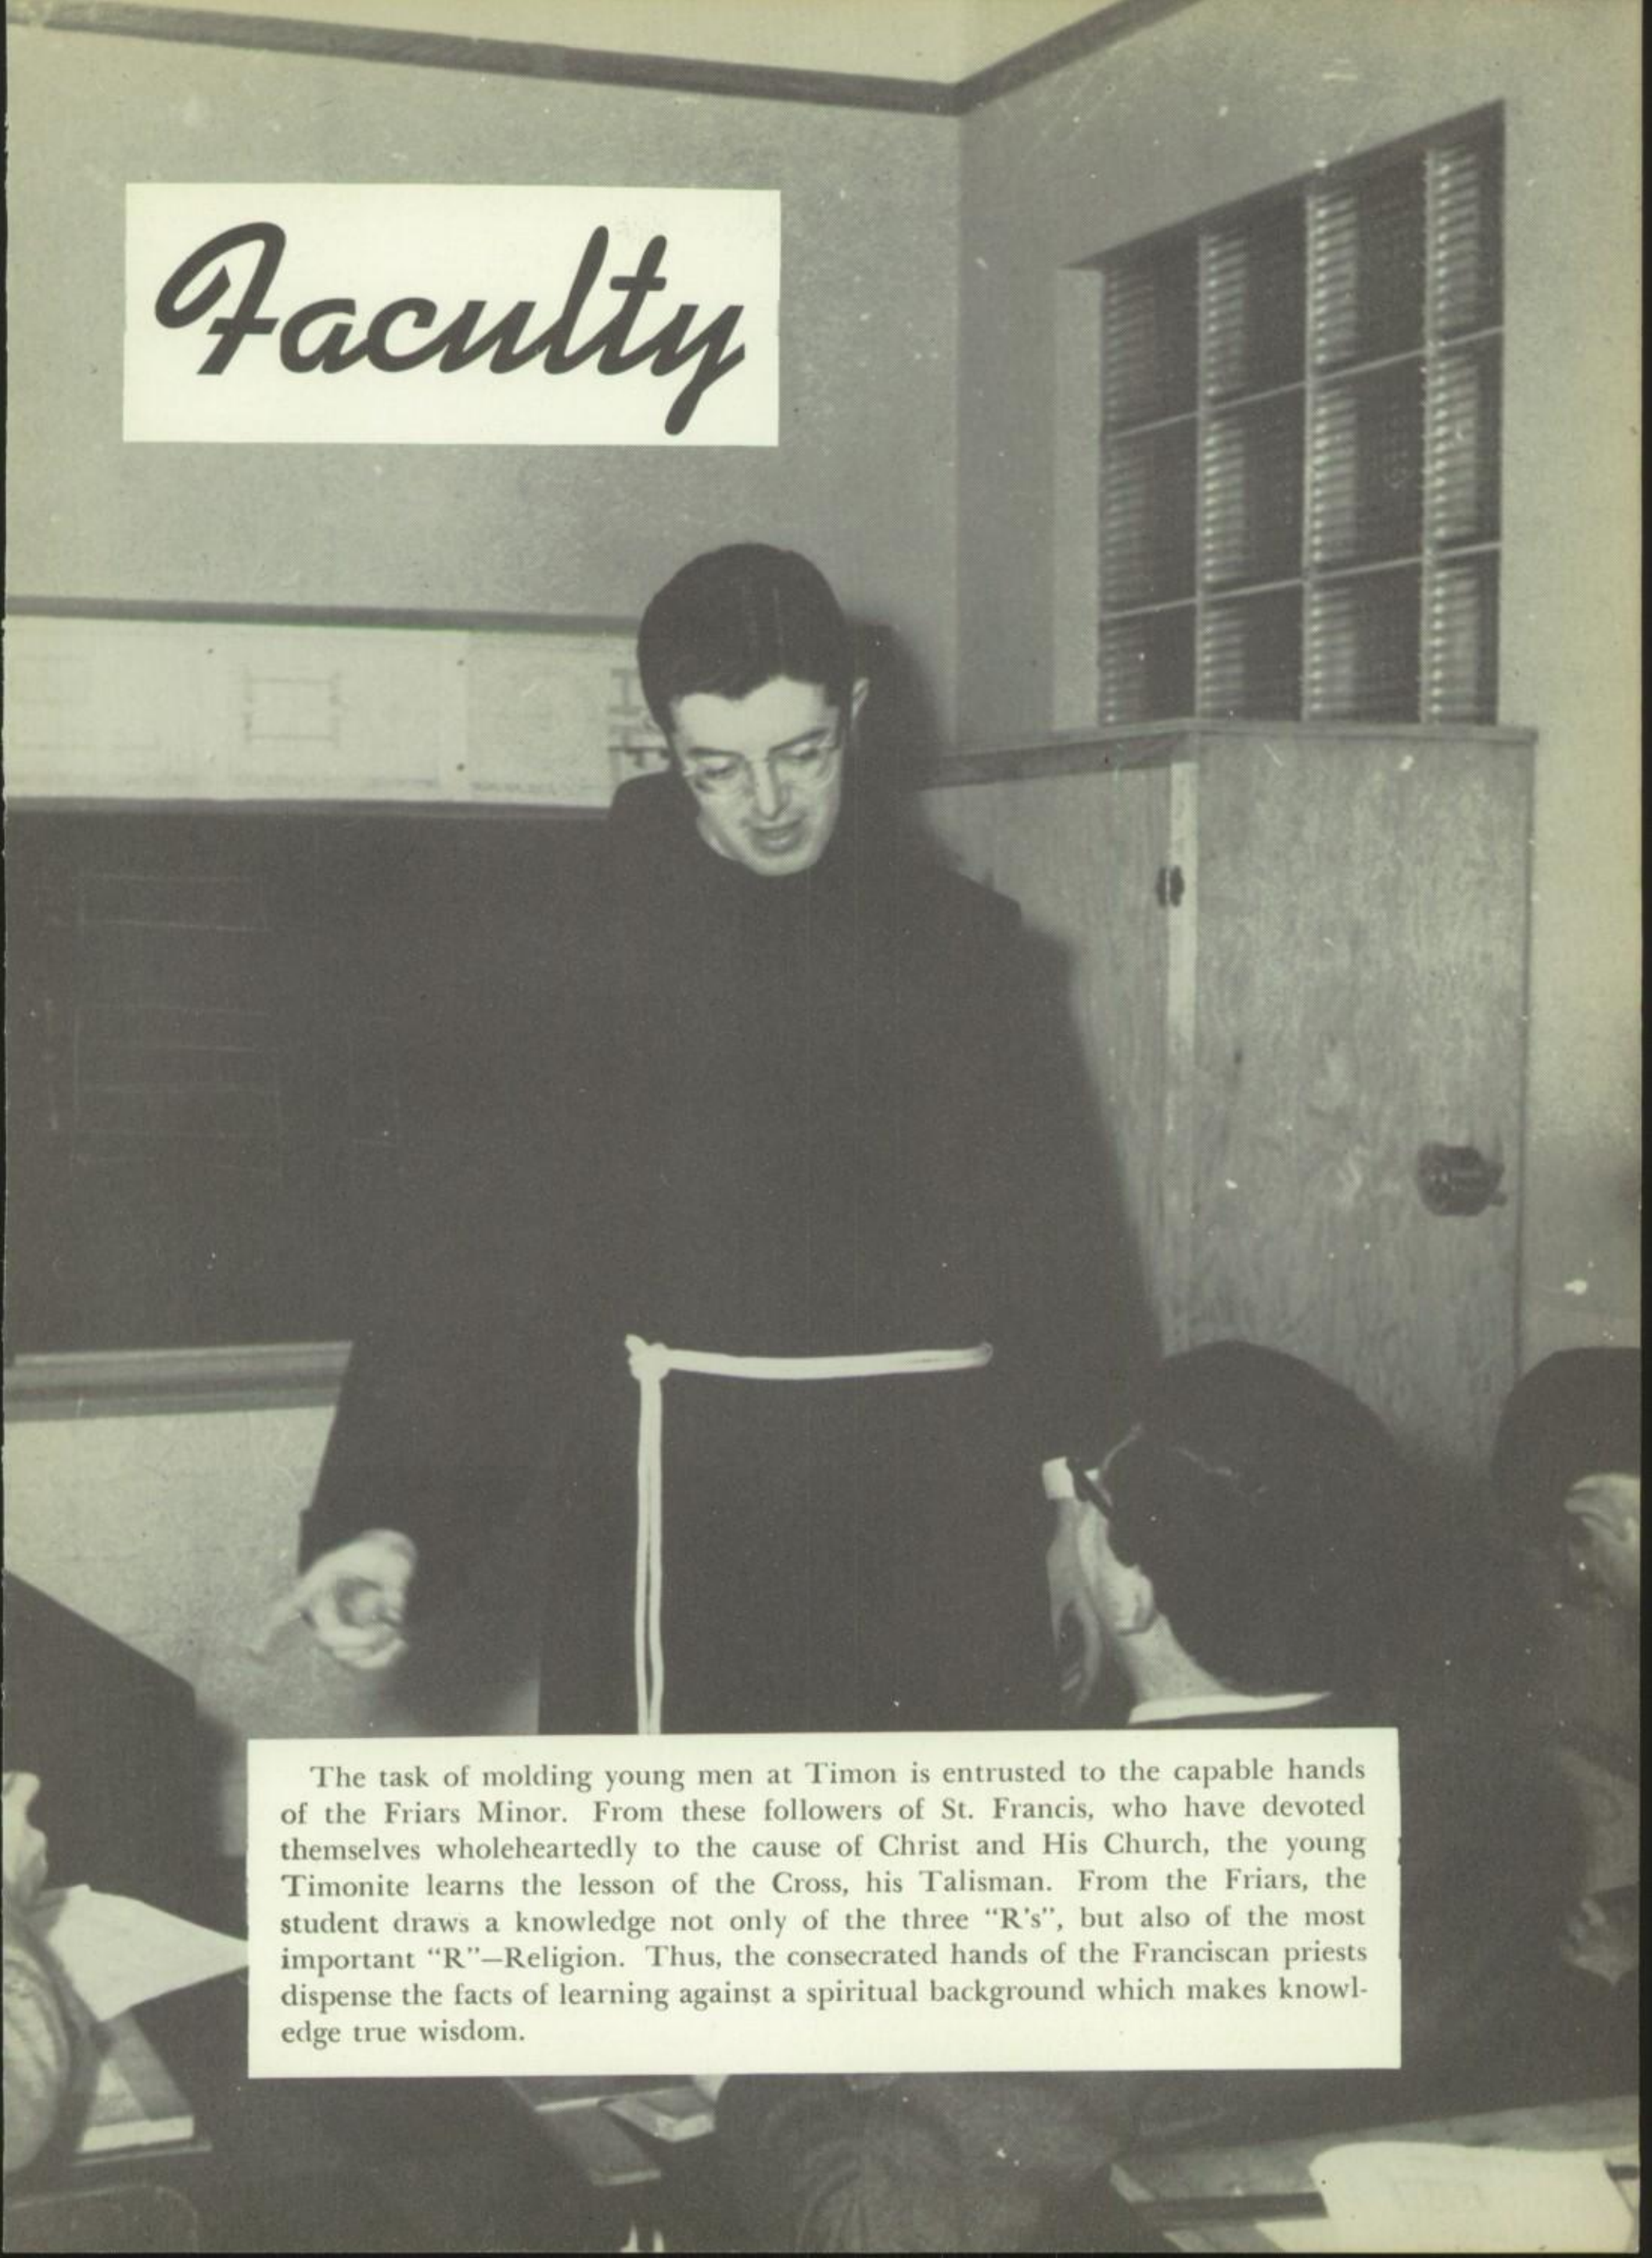

Below: The responsibility for the supervision of Catholic education rests with the Very Reverend Sylvester J. Holbel, Diocesan Superintendent of Schools, who has done much to further the interests of Timon.

...and Religious

Religious Superior of the Friars who conduct Timon is the Very Reverend Thomas Plassmann, O.F.M., Provincial of Holy Name Province, well-known in educational circles.

Faculty

The task of molding young men at Timon is entrusted to the capable hands of the Friars Minor. From these followers of St. Francis, who have devoted themselves wholeheartedly to the cause of Christ and His Church, the young Timonite learns the lesson of the Cross, his Talisman. From the Friars, the student draws a knowledge not only of the three "R's", but also of the most important "R"—Religion. Thus, the consecrated hands of the Franciscan priests dispense the facts of learning against a spiritual background which makes knowledge true wisdom.

A WARM SCHOOL! The job of Dan Mattingly, our engineer, who inspects a pump unit in the school boiler room.

A CLEAN SCHOOL! Timonites can thank Anne Whalen, Mrs. John Dixon and Mrs. David Patton for the sparkling classrooms and corridors.

SPIRITUAL EXERCISES Men dedicated to the spiritual and moral as well as the intellectual training of youth, the Friars kneel for prayer and meditation at one of their days of recollection during the year.

PROBLEMS CALL FOR DISCUSSION Faculty members exchange views at one of their meetings. Father Claude addresses the group here while Father Ambrose busies himself transcribing the proceedings.

THEY CAN SING, TOO As the Friars prove onstage at the Christmas assembly.

Seniors

On Graduation Day, the hand of the Senior is extended to receive his diploma—the recognition of the completion of his days at Bishop Timon High School. All the efforts of his four years are pointed to this one day. The hours in class, the rigors of learning and discipline, the difficulties overcome—all find their reward in this moment as the Senior extends his hand in farewell to Timon.

But the Timon graduate knows that his diploma is more than a reward. It is a challenge to him to carry the Talisman of the Cross as he has learned. It is the challenge to be the "Catholic gentleman."

Graduation

ONE OF THE FIRST to receive a Timon diploma from the hands of Bishop O'Hara is Richard Fahey, member of the school's charter class, during the 1950 Commencement Exercises.

IT'S ALL OVER for Timon's first 99 graduates, as they come up the aisle after receiving their diplomas—to mark the end of their high school careers and the end of the school's pioneer years.

CONGRATULATIONS Here they are offered to those who preceded our Class of 1951. Soon the best wishes of all will be for us as we, the second class of Timon graduates, join the ranks of proud alumni.

Classes

The heart of Bishop Timon High School is a boy at a desk . . . the youth, full of energy, ambition and the future . . . the unsculptured gentleman. Here are talents that must be sought out. Here are energies that must be channeled. Here are ideals that must be made real. The junior Timonite is in the mold. His unsteady hands are made more familiar with the strange tools of book, ruler and pen. His eager mind is taught new facts and what they mean.

The constant development and use of the mind and heart, the discipline, the drill—these are all aimed at the transformation of the raw material of youth into the polished product of Catholic manhood.

There are brighter moments...

FOR A HOLIDAY, LUNCHES! A group of Timonites board a bus for the annual ride to St. Bonaventure University. About 150 boys made the trip and saw St. Bona's eleven triumph over Toledo University in a football thriller.

FOR THE CAMERA, A POSE . . . A group of underclassmen gather around the statue of St. Bonaventure as they pause in their tour of interest at the University. The Timonites evidently are enjoying their holiday.

FOR THE FRESHMEN, DISMISSAL . . . The long awaited signal for dismissal starts the boys moving toward the exits, as they complete another day in Timon's halls.

Activities

The training of the Timonite, which starts in the classroom, does not end there. For the scholastic curriculum is rounded out by a variety of interesting activities, spiritual and cultural, social and recreational.

The several spiritual and cultural groups at Timon lay open to the young Catholic boy the chance to pursue and develop special interests and talents. The score of activities during the year, sponsored both by the school and those interested in Timon, offer the student social and recreational facilities and events which balance and fill out his formal studies.

NEW MEMBERS FOR AN OLD ORDER . . . Richard Herrmann takes the name Francis as he, together with 26 others, is received into the Third Order by former director Father John. The novices are professed as life-long members after one year.

THE GREAT DRAMA ON FILM . . . Father John readies the projector for a showing of *The Eternal Gift*, a movie on the Holy Sacrifice of the Mass. Looking on are boys at the meeting: Ed Spillman, Bob Hohl, Casimir Rentflejs, Bob Allen and Ed Lillis.

The Third Order of St. Francis is old and yet young.

It is 700 years old, and was founded in the early 1200's by the Little Poor Man of Assisi in order to give people living in the world the opportunity of belonging to the Franciscan Family and of sharing in the work and merits of the entire Order.

The Order continues to carry out its purpose—as a young Order, as fresh, new and vigorous as the members it enlists every year. About 200 boys have joined the Timon Fraternity since its inception.

In them, the Order is young. Their prayers and good works, their wearing of the habit and recitation of the Office, keep it young and vigorous as a powerful means of holiness in the spirit of St. Francis, "The Mirror of Christ."

Third Order...

"...and whoever

shall keep this Rule."

FOR YOUTH, GUIDES . . . Flanking Director Father Joachim are Bill Kraft, master of novices; Jim Hillery, prefect; Bob Fitzgerald, secretary-treasurer; Paul Tubridy, vice-prefect. They hold office for three years, according to the Third Order Constitutions.

This second edition of THE TALISMAN is the successor to a 1950 version which won First Honors in the judgment of critics of the National Scholastic Press Association and the Western New York Interscholastic Press Association.

The Library

Above: LIBRARIANS AT WORK Preparing books for library use are Bill Redmond, Bob Hughes and Harry McKeown. They assist in handling the work involved in circulation and keeping in order the nearly 3,000 volumes in the library.

Above: CIRCULATION One of the main functions of the library is here the concern of Father Denis as he marks out a book under the watchful eyes of assistant Paul Milosta. Ron Kalinowski is at the card file. Father Denis has been in charge of the library since the beginning of the school.

Printing

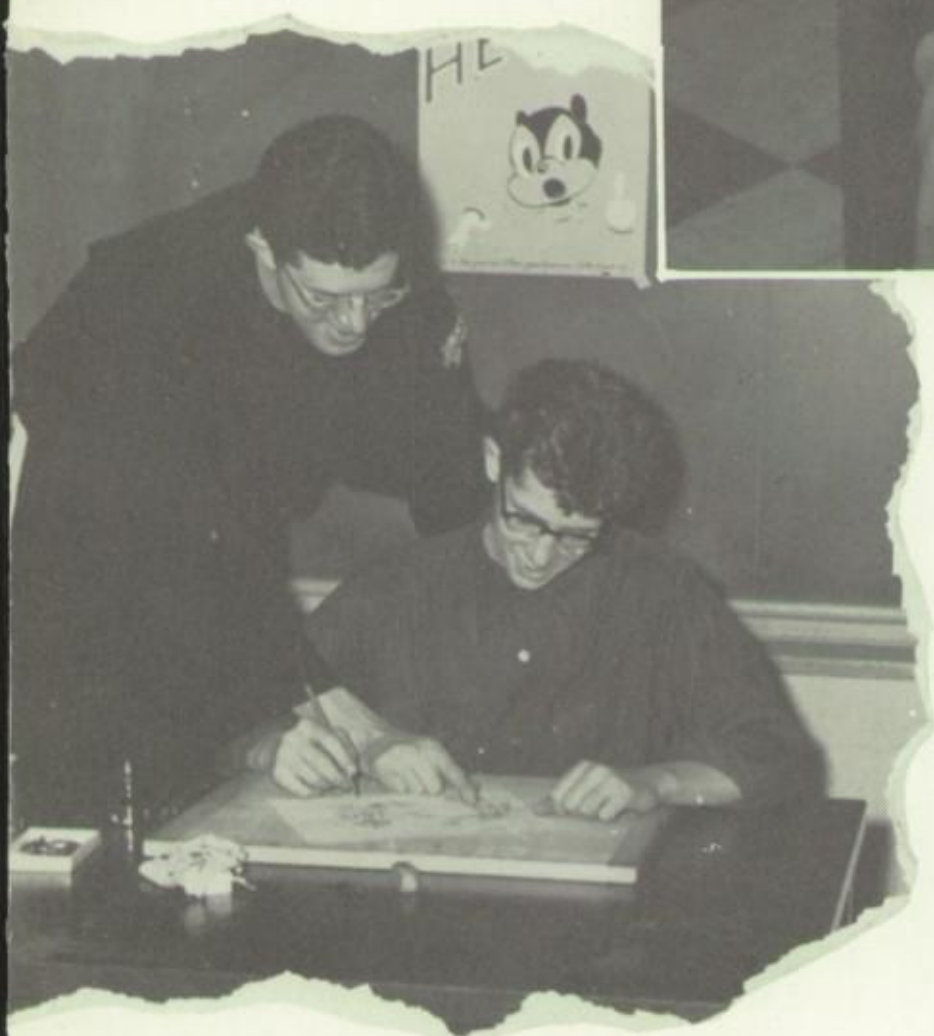

Left: BROTHER CRAFTSMEN Don and Dave Benz pause while doing two of the many jobs of the print shop. Dave is padding some of the thousands of school forms printed each year while Don straightens out the reglet case.

Right: FOR PRINTING, DEVILS Jack Cronin is at the type case and the Benz brothers are at the press. They work under the direction of Fathers Felician and Seraphin.

Chess

FOR ALL EVENTS, POSTERS . . . By art club members, Ed Seymour, Bob Meyers and their sign-painting comrades. Practical art work has been the chief activity of the club during the past year.

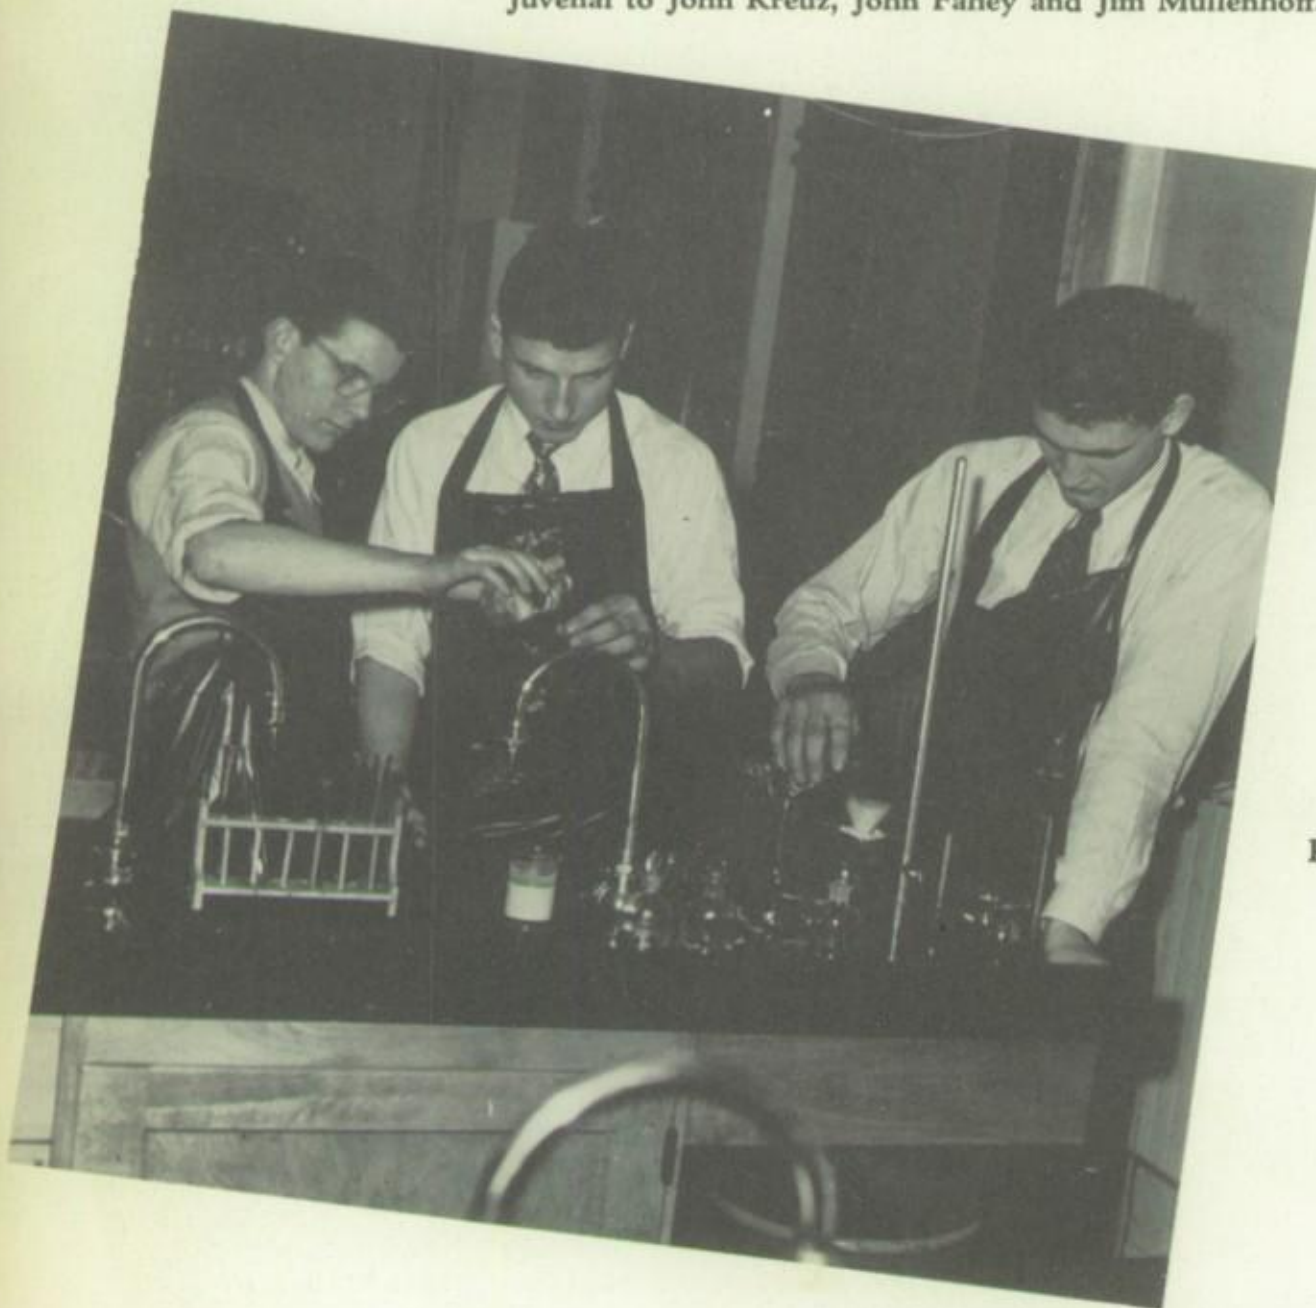

FOR A BEGINNER, ADVICE . . . Fr. Lawrence, Moderator of the Club, assists cartoonist Tom Donovan in finishing the many Tiger mascot designs for the Talisman. A poster by Mike Broderick, freshman member of the Art Club, graces the board.

FOR STRATEGISTS, A QUICK MOVE . . . Chess players Owen Miller and Dan Chase plot strategy under the watchful eyes of Pat Leary, Vincent Buxton, Ron Kalinowski, Moderator Father Aurelian, Bill Warthling and Ed Kwasniewski. The Chess Club is a newcomer among school organizations. Members began participating in the new High School Chess League during the past year.

We absorb the wonders of Science...

QUALITATIVE ANALYSIS is the concern of Lou Carlo, Ray Colpoys and Dick Ernst as they prepare for work in college chemistry. BLOOD STUDIES were carried forward during the past year under the direction of Doctor Robert Sullivan, who here looks on while John Kenzik peers into the microscope and while Dick Pankiewicz and Paul Milosta await their turns. HYDROPONICS or Soilless Gardening needs chemical solutions like these, explains Moderator Father Juvenal to John Kreuz, John Fahey and Jim Mullenhoff.

THERE'S MORE TO IT THAN TURNING A KNOB . . . as Radio Clubbers find out from Father Leo. Busy constructing sets are Bob Till, Tom Geary, John Voit, Pat Leary, Len Glaeser and Al Boettcher. Set construction is part of the training of these would-be "hams."

"OH! WHAT YOU SAID!" . . . Code practice aims at building up the speed necessary for amateur key pounders to go on the air as radio station operators with licenses from the Federal Communications Commission.

"IS THAT THE WAY IT GOES?" . . . queries Al Boettcher as Father Leo demonstrates a current connection on a mock-up demonstrator. Len Glaeser is holding the magic box.

...as do the Alumni

THE CLASS OF 1950 WAS A PIONEERING CLASS TO THE VERY END. Its members were the first to enter the school in September, 1946. From then until their graduation they led the way in all phases of the school's history, academic, athletic, social. And finally, on the eve of their leaving the school, they became as well as founded the Alumni Association.

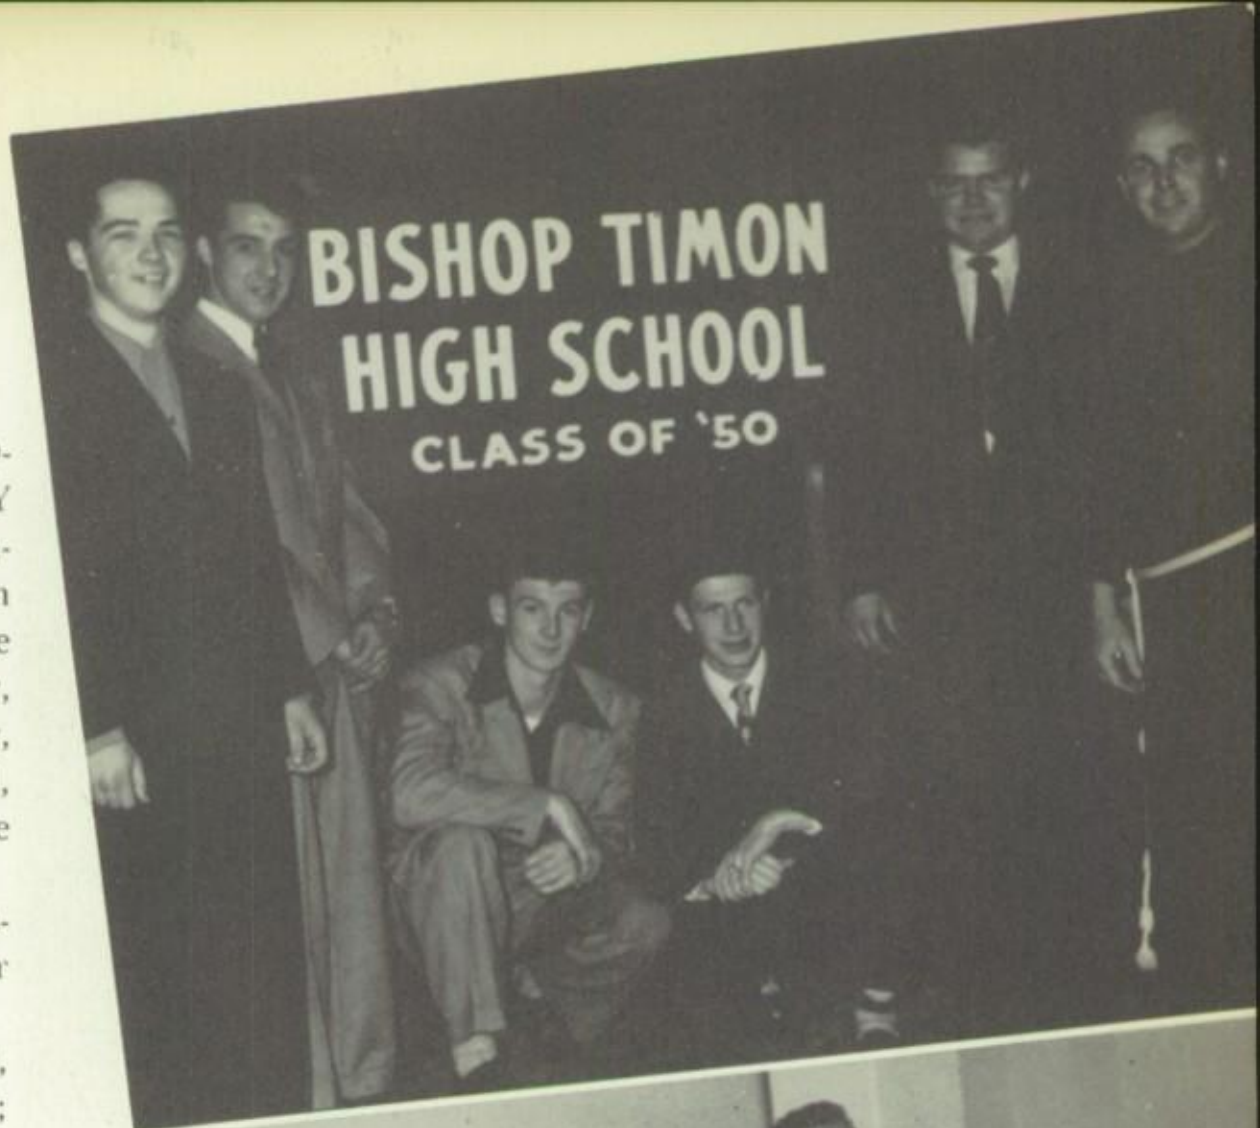

Plans for the organization were disclosed by Father Eugene at the Senior Banquet on June 13, 1950.

Officers elected were: Tom Desmond, president; Joe Schroeder, vice president; Gerry Maroney, secretary; Carl Kelly, treasurer; Richard Procknal, historian.

TO MARK THE SITE, A SIGN . . . With Moderator Father Eugene are members of Timon's charter class: Joe Crangle, Carl Kelly, Joe Shalloe, Joe Kenefick and Ron Stumpf.

TO MARK THE BEGINNING, A MEETING . . . 1950 graduates listen to Father Eugene as he suggests plans for the Timon Alumni Association.

TO MARK THE END, A BANQUET . . . Seniors gather at the festive board for a farewell banquet tendered by the school and served by the Mothers.

A CAFETERIA ELEVEN . . . the "T" includes Bill McCartan, George Hoare, Jim Leary, Larry Graham, Ed Finger, Ed Finnegan, John Doherty, Ed Gasiuk, Bill Carr, Don Herbert and Jim Rautenstrauch.

SEMI-FORMAL . . . The Alumni and their guests stepped out for the first social event in the history of the association last January 27. It was a semi-formal hop, complete with Grand March.

Above: GOOD NIGHT . . . Father Eugene congratulates general chairman Jimmy Leary and Joe Kene-fick on the success of the Semi-Formal.

A BAD NIGHT FOR THE ALUMNI! . . . But the game was as tight and confused as the mass of players under the basket until the Varsity out-distanced the Old-Timers 49-43. Marty Mann and Jim Van Remmen were high scorers for the Alumni with 12 and 18 respectively.

Athletics

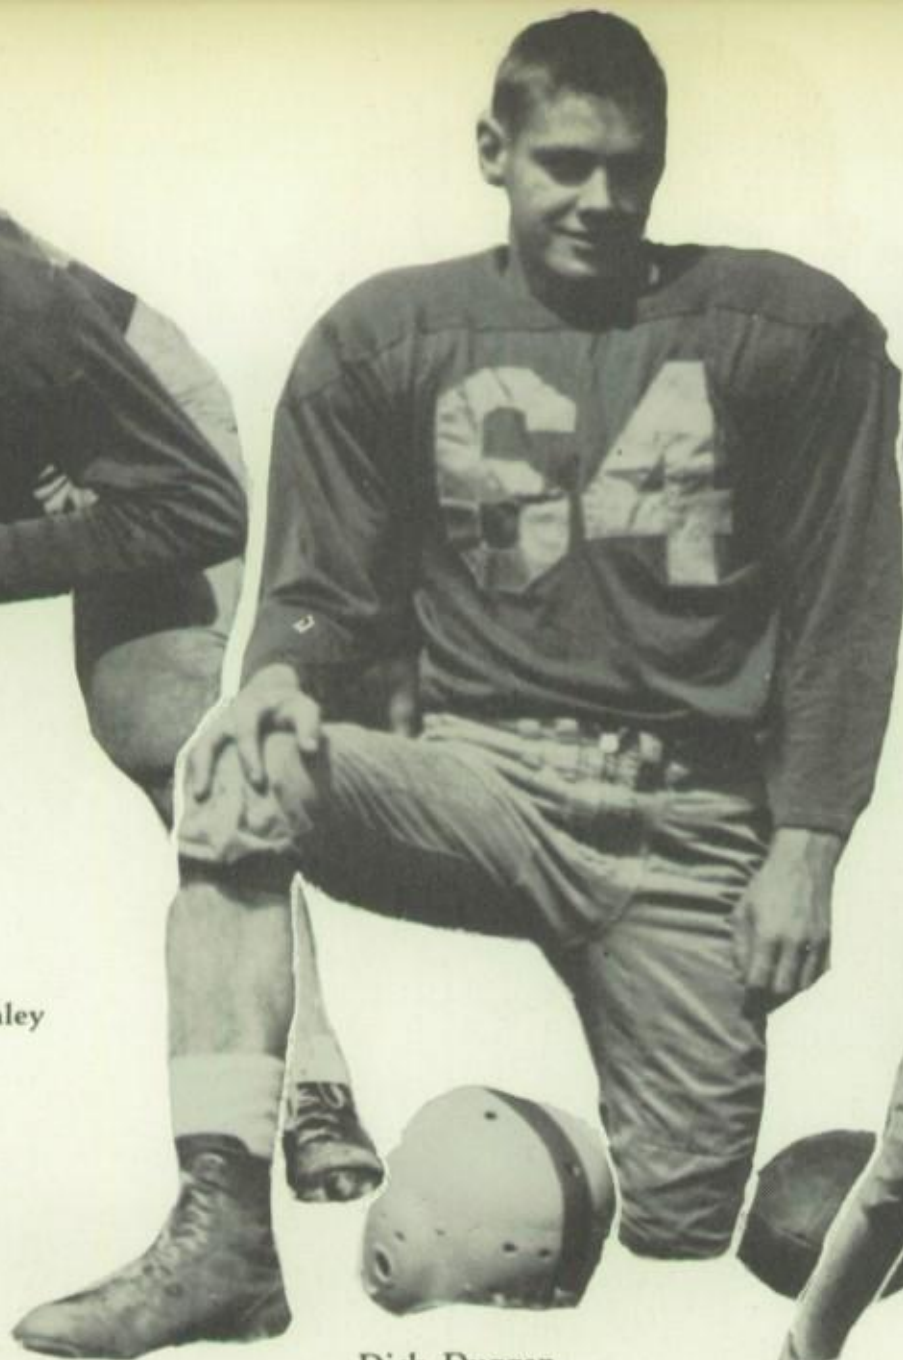

To coordinate the abilities of mind and body, a vigorous athletic program is conducted as part of the education of the Catholic boy at Timon. In accomplishing this goal of matching quick hand with quick mind, a sportsmanlike and competitive spirit is molded into the Timonite.

The Athletic Association sponsors varsity sports, other competitive sports and a well-supervised intramural system. This program endeavors to extend athletic competition to the entire student body. For those who become proficient in the major sports, places are awarded on varsity teams. These athletes, the best dressed and equipped, have shown the merit of this physical and mental training in capturing two league trophies on the varsity level.

FOR HASSETT, A TRAP . . . the efforts of Jim Gibbons and Tom McCarthy are not enough to stave off the rush of DeSales' tacklers.

TIGERS ON THE GRIDIRON turned in the best football record of their 3-year career in 11-man competition. They repeated and bettered their performance of the 1949 campaign, when they battled their way from unknown status to the position of a power to be reckoned with and ended the season in second place. In 1950 they became co-champions with St. Joe's and Canisius. They earned possession of the Notre Dame Cup. They merited the invitation, the first to be tendered the school, to play in the Bowl Game at Greenville, Pennsylvania; and at this game were presented with the Pymatuning Bowl Trophy.

...in a successful season

THE ELEVEN ROARED INTO THE 1950 SEASON by defeating last year's champion Rapideers of Bishop Duffy High School. In that game Coach Fitzhenry and his staff first took the wraps off their new T-formation. Victory over Canisius followed. The Ryan game was awarded to Timon on a forfeit. The Red Raiders from St. Francis succumbed next, and the Tigers took DeSales in stride before being halted in their championship bid by the powerful St. Joe squad.

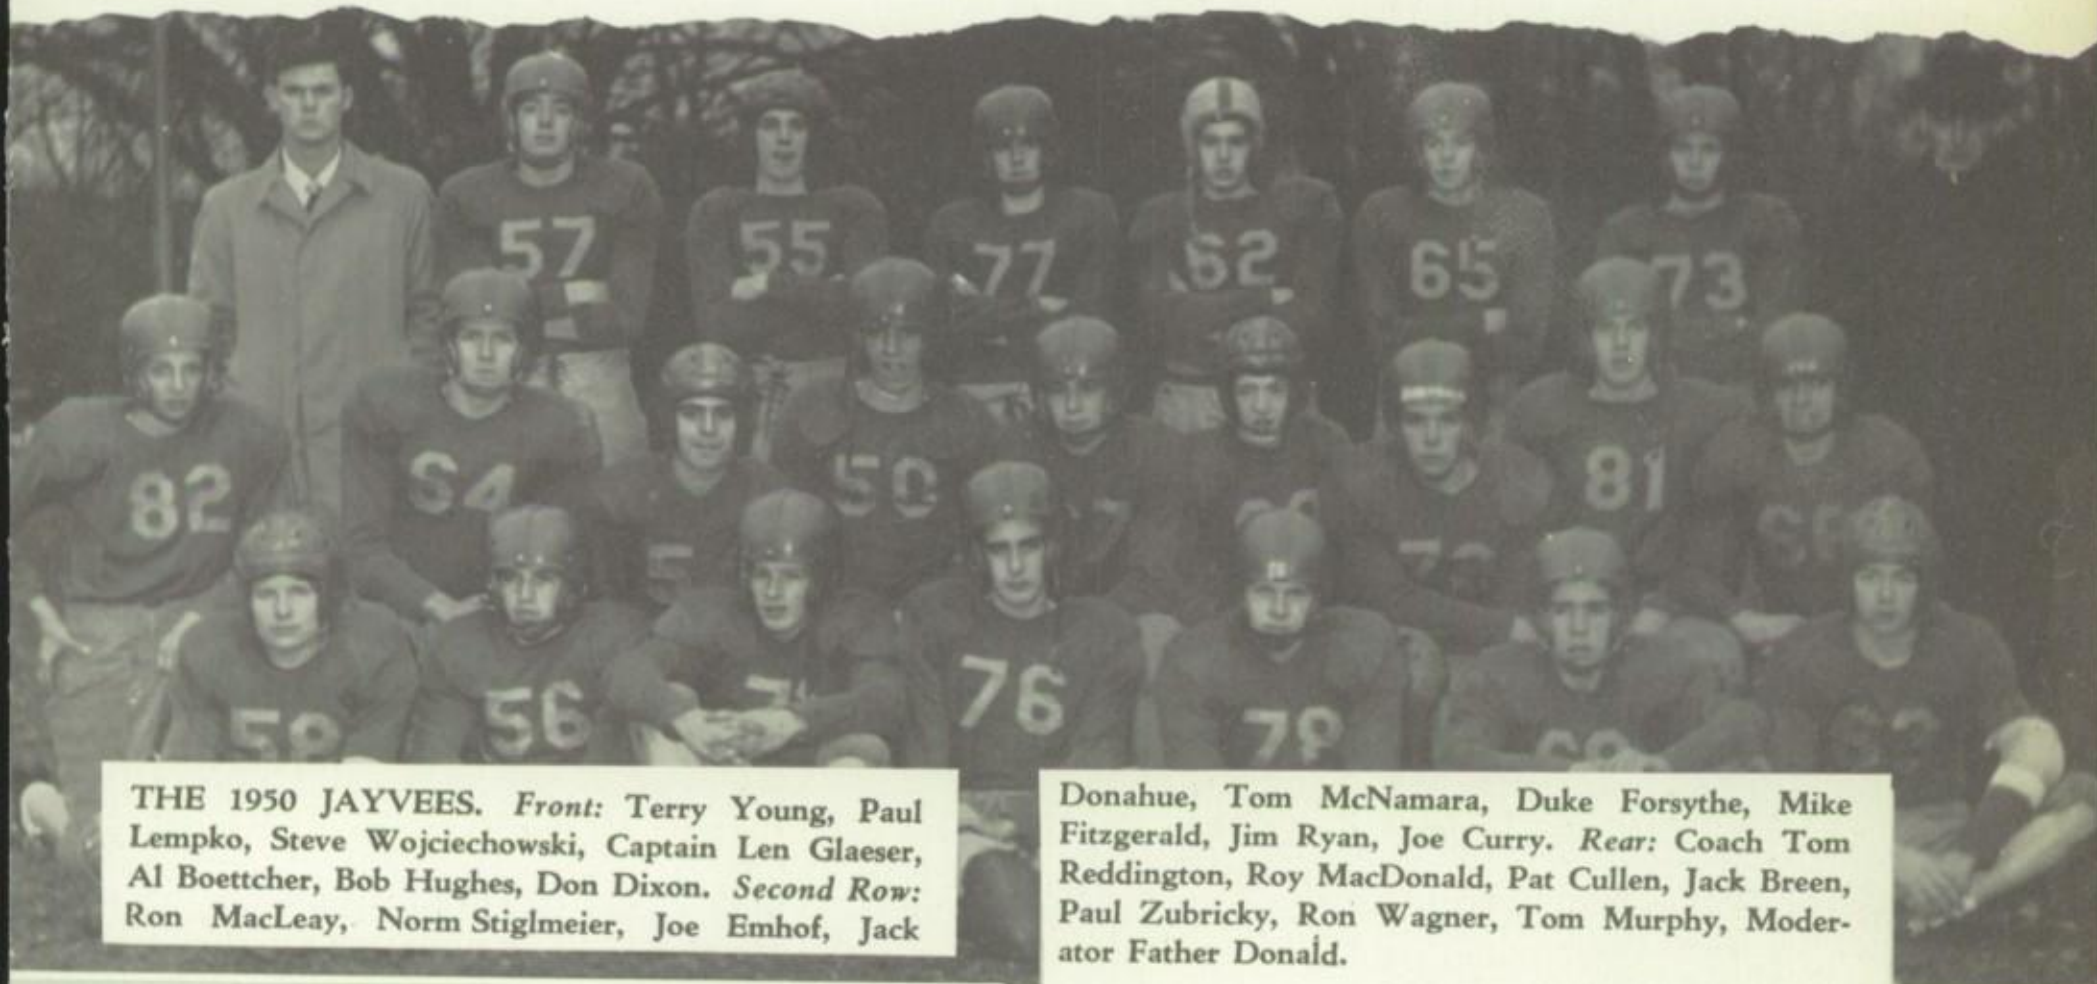

SIGNIFICANT ABOUT THE SQUAD were the offensive and defensive records in league play. Each of them represents other firsts in Timon athletic history. Individual honors were won by squad members: four of them, Bill Ewing, Tim McCarthy, Jim Hassett and Dick Duggan, won first positions on city All-Catholic elevens; five others also placed on the teams. But behind the players who won the honors was a team of many who made the 1950 season a memorable one.

HE LOOKS DESPERATE . . . Co-Captain Dick Schumacher eludes St. Mary's defenders at the Aud while looking for a pass receiver. St. Mary's won, 54-52.

THE 1950-51 COURT CAMPAIGN WAS THE BEST EVER IN TIMON ATHLETIC HISTORY. Rated at the beginning of the season as a team that would also run, the Tigers wrote their own record in terms of the best defensive play in the league and in figures in the win column. They finished the season with a won-15—lost-3 record.

In regular league play, the offensive per-

centage was 50 points a game, for a total of 900. Defensively, the courtmen yielded an average of only 38.2 points a game. Both sets of figures are new Timon records. The squad was the first from the school to play in the Manhattan College Cup playoffs. Jinx-breaking victories were scored against St. Joe's, St. Francis, St. Mary's for the Deaf, OLV and Duffy.

against the Red Raiders in this game, which the Tigers dropped, 49-42.

LET IT GO, DON! . . . Colpoys poises to launch a push shot against St. Joe's. This game was the first of the two greatest upsets of the season, Tiger victories over the highly touted Marauders.

UP SHE GOES! . . . Bob Miller got it away despite guarding Rapideers. Although held to two points in this game, won 54-40; Miller swished for 130 points in the campaign and compiled a percentage of .40 from the floor.

THERE'S MORE TO IT THAN PULLING AN OAR . . . Rowing is not so simple as it appears to onlookers on the shore watching a well-manned shell sweep through the water. Conditioning, work on the machines, running, calisthenics, instructions on the "how-to-do-it" are all part of the sport. It is not a fairweather sport, for regattas are held in all kinds of weather and training begins, sometimes, while ice still flows in small chunks along Black Rock Channel. Rowing is for the hardy.

Timonites

THE TIMON NAVY launched its first shell in the spring of 1949 but participated in no competition that year. It was a time for seasoning.

Still somewhat green in comparison with veteran crews of the West Side and other rowing clubs, the eight last year participated in regattas at Buffalo, Port Dalhousie and Hamilton, Ontario. The rowers were under the tutelage of Mr. Joseph Schawillie.

A MIGHTY CRASH OF PINS . . . and the third year of Timon bowling was underway. It was bigger and better than ever, with 22 teams in the running—eight each of freshmen and sophomores, and six of juniors and seniors. There were three separate leagues. And there was bowling with the teams of other schools.

The leagues were under the direction of Fathers Kenneth and Martin.

Below: TIGERS ALL . . . ROLLING, that is . . . Standing are Frosh: Lou Weltzer, Bob Schmelzinger, Gerry Gorski, Jim Kirsch, Jack Rentflejs. Kneeling: Mike Songer, Howie Russell, Hank Demicke, Bill Cologgi—the All Stars.

Above: "LET IT GO, FRED!" . . . and he does, at a speed faster than the camera's. Kaczmarczyk's form and accuracy combined to make him a leading Junior bowler.

Below: STINKERS ARE STANDING . . . Paul Zubricky, Roy MacDonald, Skip Catras, Roy Greene, Don Dixon. Kneeling are the Lucky 13's: Walt Stankowski, Jim Sweeney, Bill Livingston, Ray Liddell.

Down to a Tee...

PIONEERING IS DIFFICULT ON THE GOLF COURSE . . . especially when it is done in competition with veteran squads. That just about sums up the record of Timon's 1950 venture in the Catholic League.

The best match of the season was played with St. Joe's. Both foursomes were deadlocked at the end of the regulation 18 holes and had to go on for three more before the Maroon golfers reached the telling advantage on the twenty-first green.

As the golfers got out their clubs for the 1951 practise rounds, they were more optimistic about their chances than before.

VETERANS READY . . . Last year's golfers Roy MacDonald, Jack West and Tom Hayes—ready and eager to get back to the course.

THE RIGHT IRON FOR THE RIGHT APPROACH . . . by Pierce Greene as he chips onto the second green at Cazenovia Golf Course.

1950 GOLFERS: *Front:* Jack West, Pierce Greene, Tom Hayes, Dave Quinn, Moderator Father Winfrid. *Rear:* Roy MacDonald, Mike Crehan, Jack Leach, Jim Adrian.

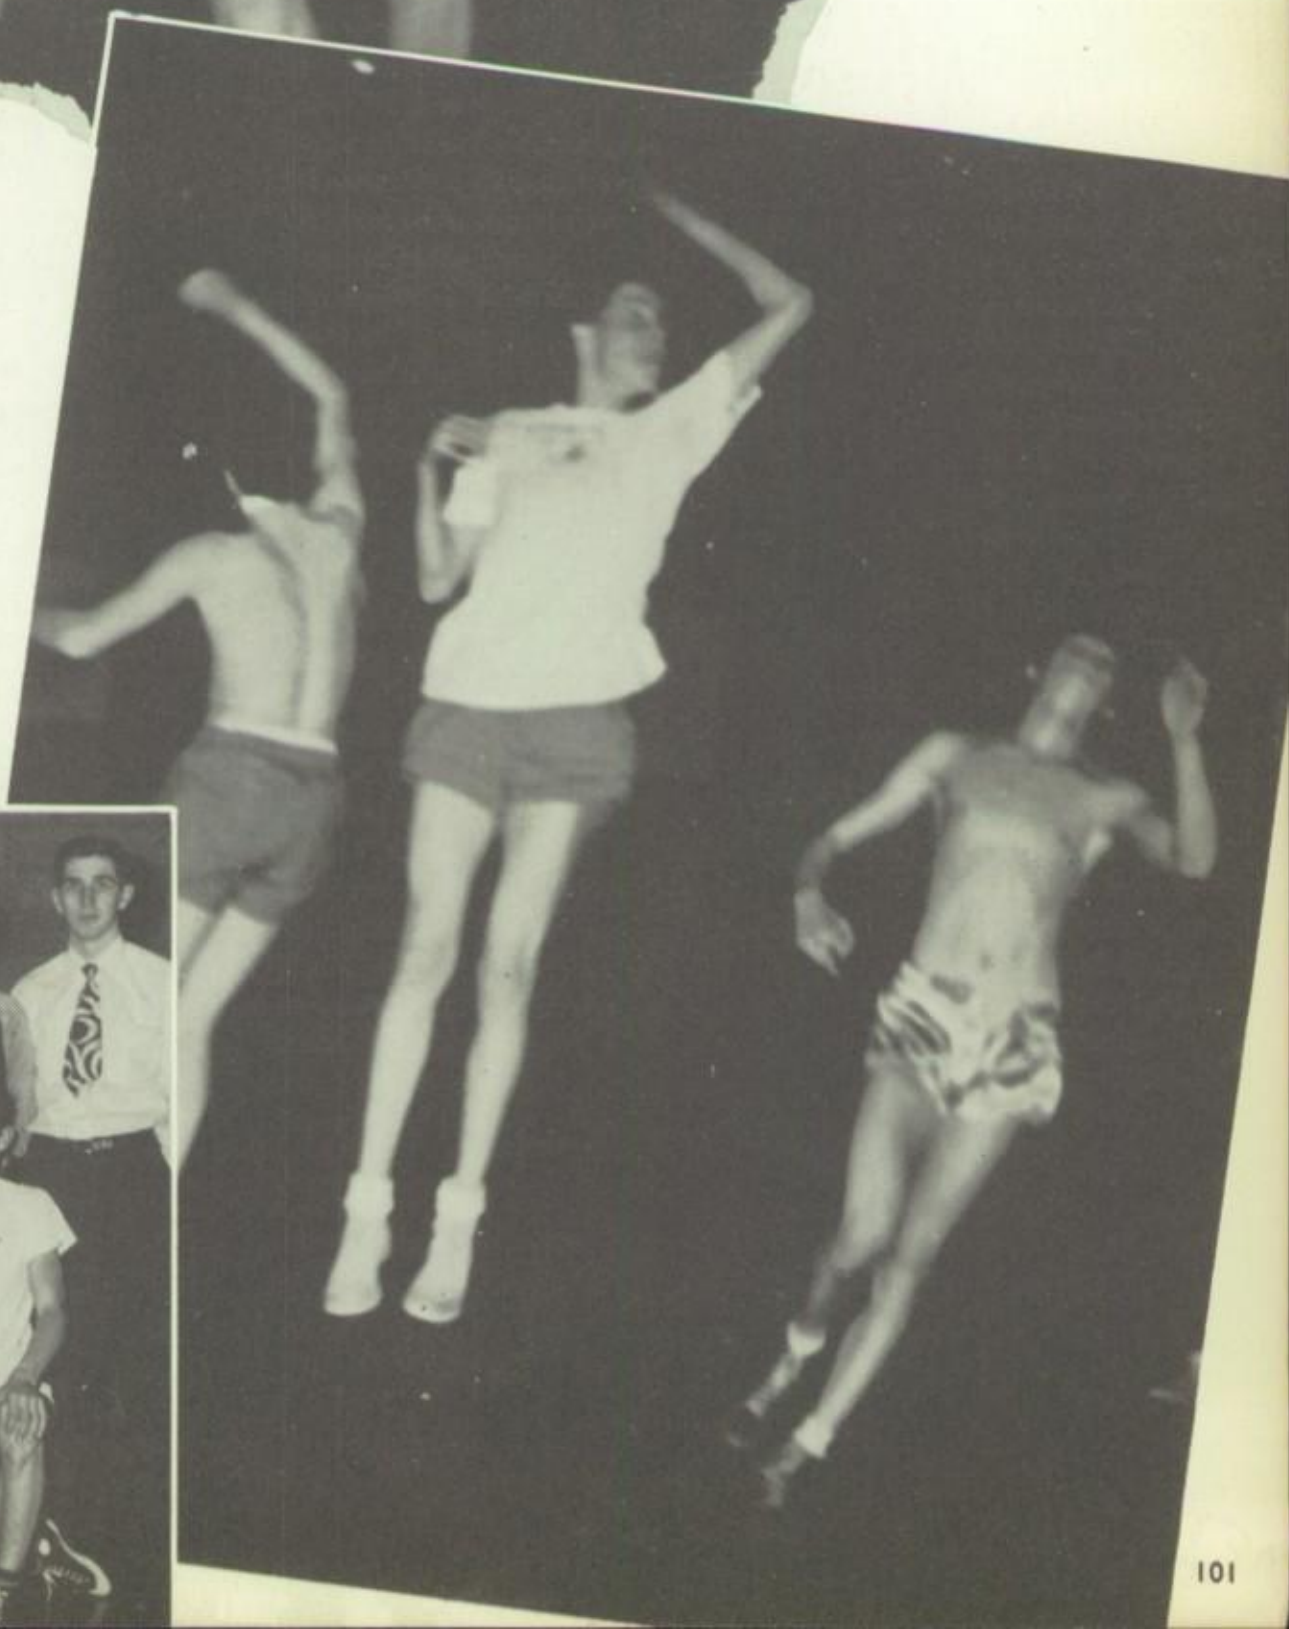

Intramurals...

EVERYBODY WANTS IT . . . but Will Weigand has it and his team, Senior 12-A, wins class honors over 11-A, 26-14. Behind reacher George Braunschweig is Tony Podyma; over Weigand's shoulder is Ray O'Neill.

Right: BASKETBALL OR BALLET? . . . That is the question. It really was an intramural game, with Soph Bill Lawley in the middle pose.

Below: SENIOR CLASS AND SCHOOL CHAMPS . . . Kneeling: Pete Cournan, Kerl Zeis, Captain Jack Gilberds, Ray O'Neill, Tony Podyma. Standing: Ed Kinner, Ed Mann, Mike Halloran, Will Weigand, Ed King, Manager Gene Brun.

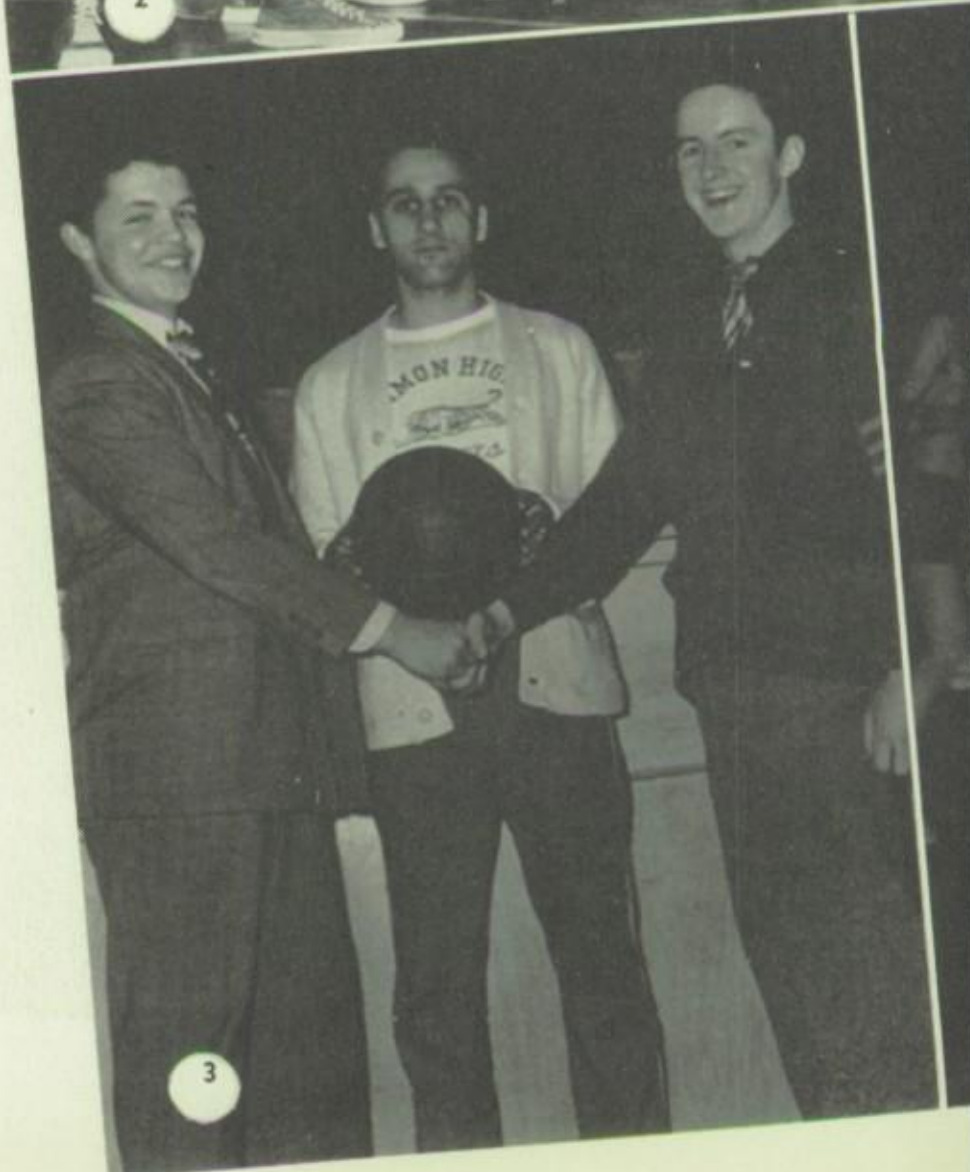

THE BIGGEST INTRAMURAL TOURNAMENT in the school's history brought 27 teams into a round-robin playoff series. The eliminations were on a sudden-death basis. Survivors in each class took honors for their respective

Standing: Jim Long, Bob Joyce, John Short, Jim Schlee and Joe Curry. 2.—WHO IS THE WEIGHT LIFTER? . . . Somebody seems to be supporting Bill MacKrell as fellow juniors Tom Higgins and Fred Kaczmarczyk look on. MacKrell's team won this final class game over 106-A, 21-9. 3.—CAPTAINS AND DIRECTOR . . . Senior and Sophomore champion captains shake before Mr. Constantino who, with Mr. Palano, supervised the intramural tournament. 4.—SOPHOMORE ACTION . . . That is Dan Berry of 205-A in the air, with 206-A's Jim Sperduti facing the camera, from the background. Sperduti's team won this class final, 17-14. 5.—IT'S IN THE AIR AND GOING . . . from the hand of an unidentified player as Frosh Bill Gardner watches. Gardner's team took the honors, 19-11, over 107-B. 6.—IT'S A STRUGGLE . . . This game eliminated 108-A from the running. 206-A won, 18-16. 7.—FROSH CHAMPS OF 108-B . . . Kneeling: Tom Higgins and Gerry Janan. Standing: Norm Stiglmeier, Ed Schultz, Stan Angierski, Bill Gardner, Tom Donohue. 8.—JUNIOR CHAMPS OF 107-A . . . Kneeling: Frank Duffy, Jack O'Neill, Jack Jerge, Jack Rozanski. Standing Bill MacKrell, Pat Frawley, Bill Campbell, Fred Kaczmarczyk, Bill Doetterl.

divisions. Divisional champs then vied for school honors which were narrowly won by Seniors of 12-A.

The tournament was under the direction of gym instructors Mr. Palano and Mr. Constantino.

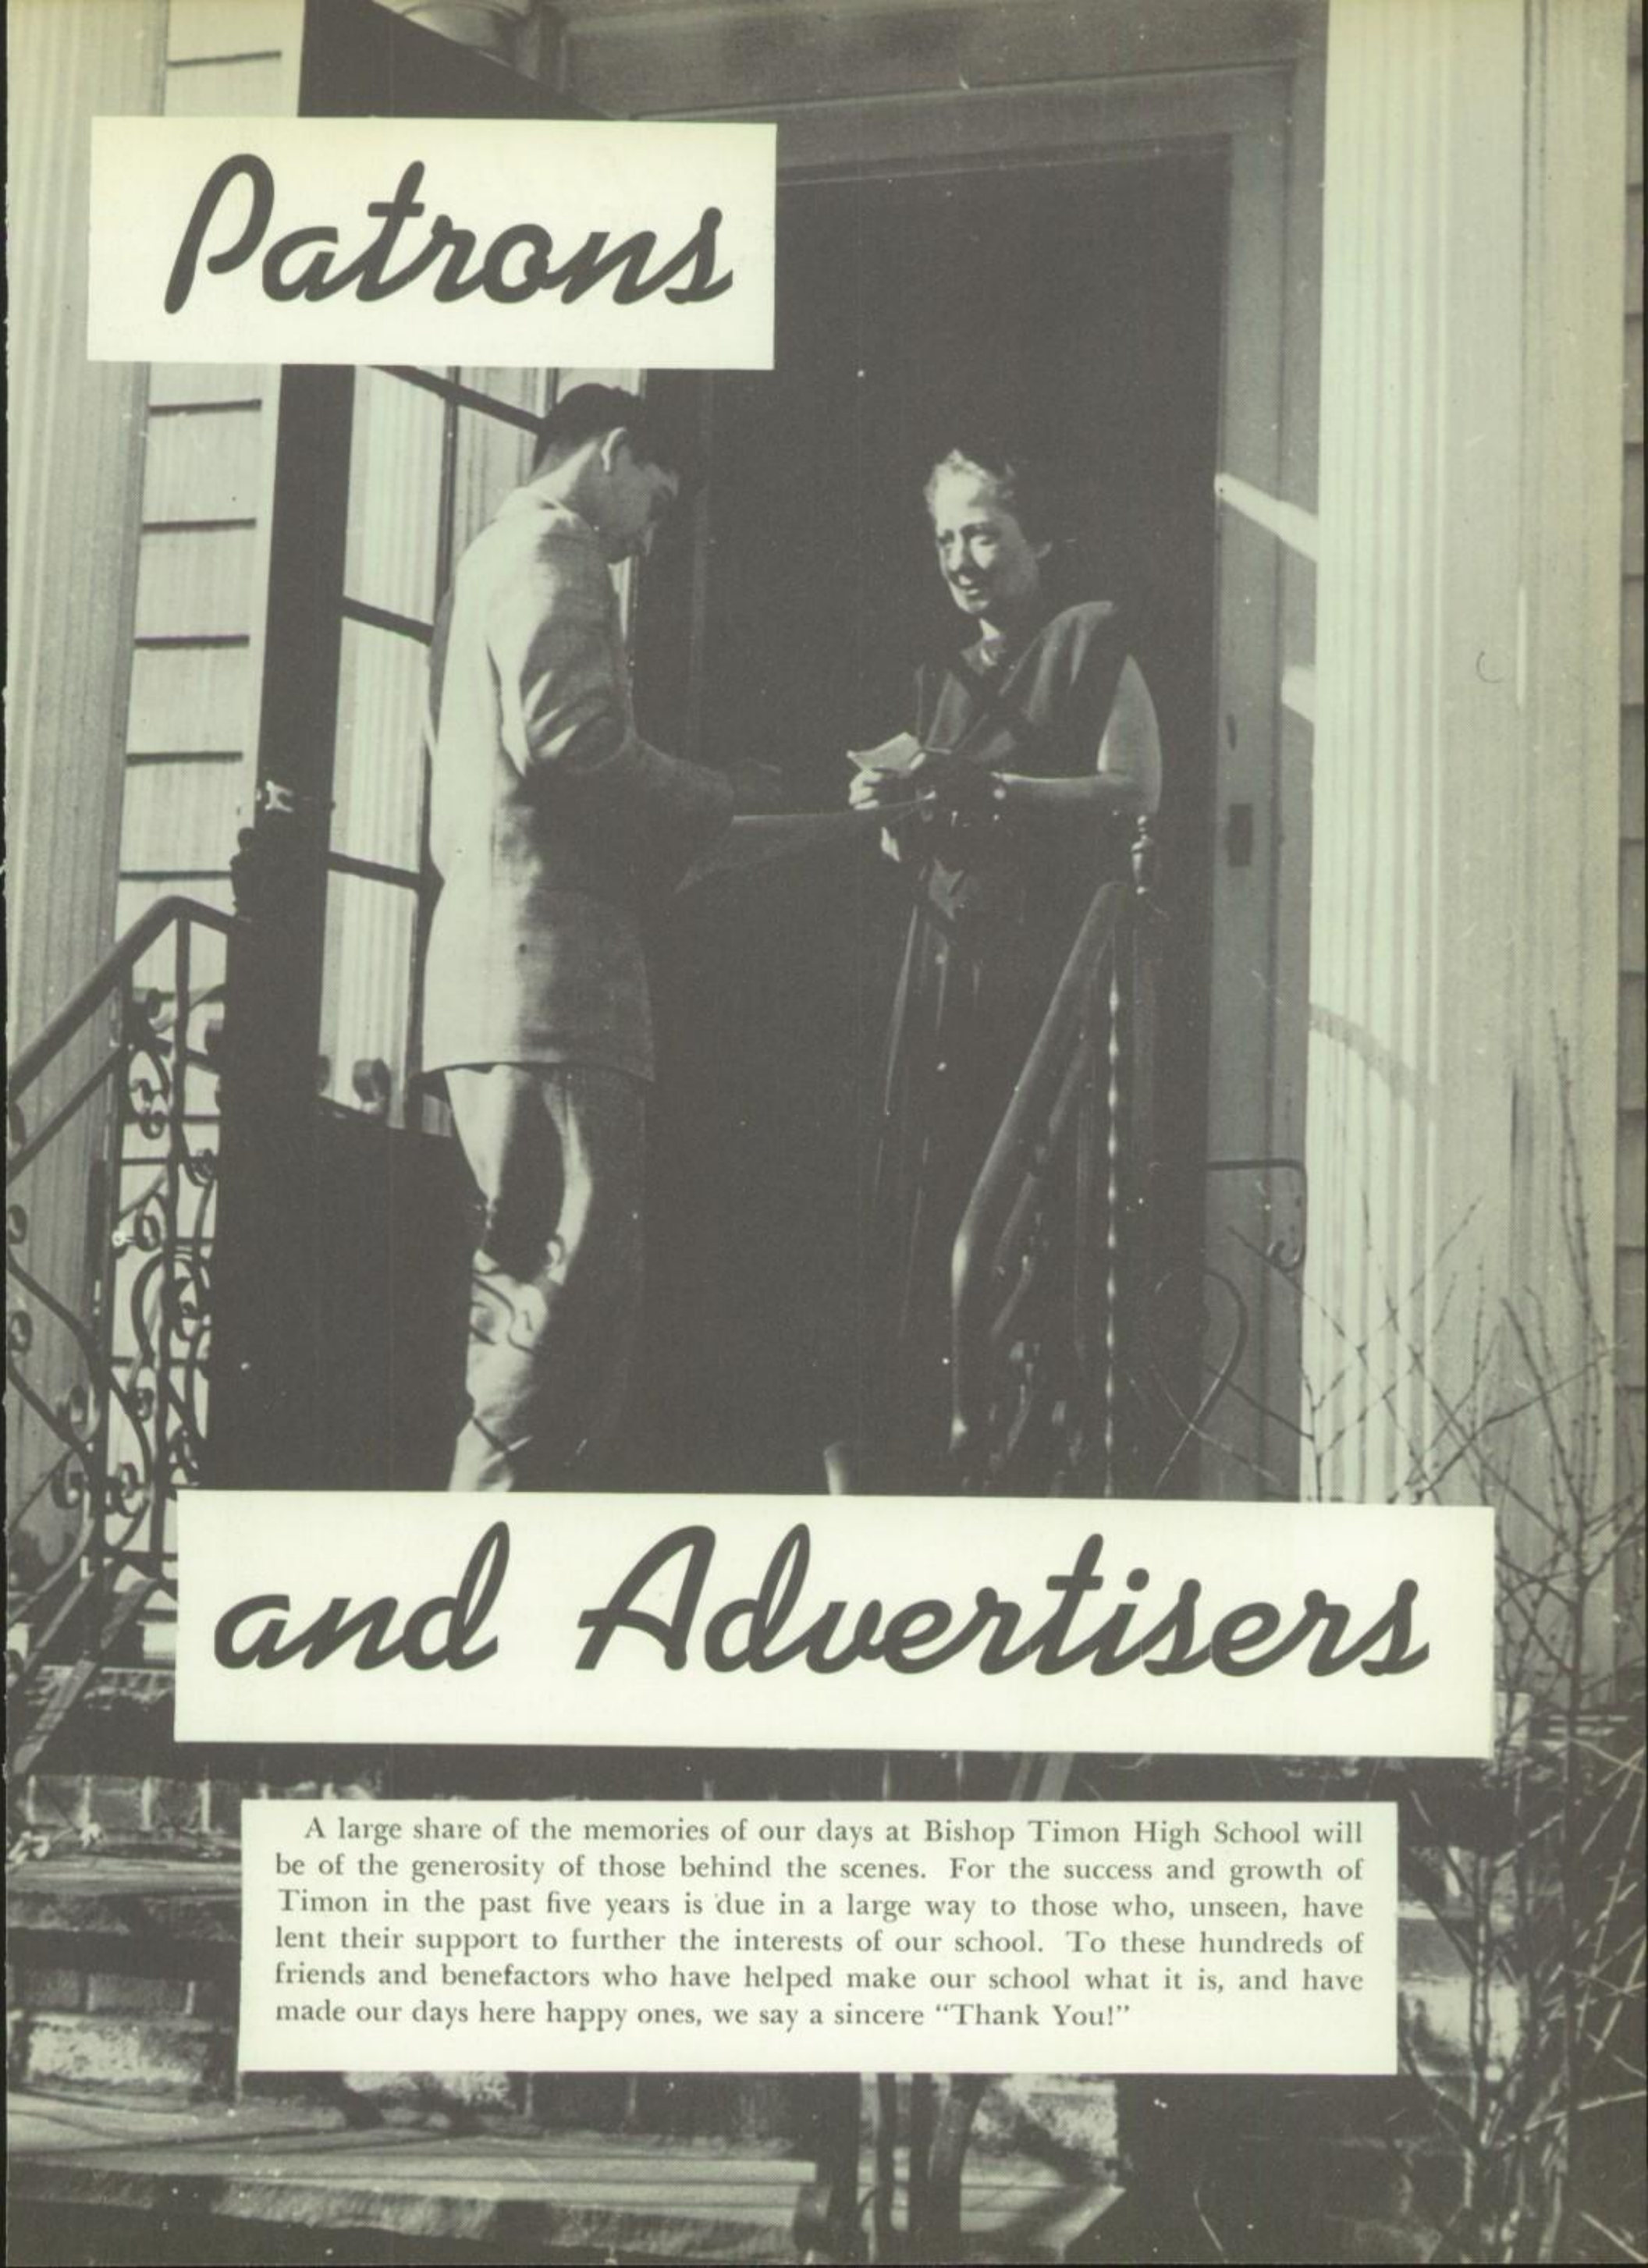

To Our Lady...

Queen of Heaven

Devotion to Our Blessed Mother and to Her Rosary have always been encouraged at Timon. One way to prepare to carry the Talisman of the Cross is to finger the Rosary frequently.

During the past year, we at Timon rejoiced with the whole Catholic world on the occasion of the definition of the dogma of the Assumption of Our Blessed Lady into heaven. Into the hands of Mary, our heavenly Queen and Mother, we commend our future.

Patrons

and Advertisers

A large share of the memories of our days at Bishop Timon High School will be of the generosity of those behind the scenes. For the success and growth of Timon in the past five years is due in a large way to those who, unseen, have lent their support to further the interests of our school. To these hundreds of friends and benefactors who have helped make our school what it is, and have made our days here happy ones, we say a sincere "Thank You!"
